5 Deposit Cashback

How It Works

i. Eligible clients must make a qualifying deposit of at least USD 100 into their STARcopy account and complete at least 1 standard lot in copytrade in qualifying closed trades, both within the same Weekly Qualifying Window, to receive a Cashback Voucher.

ii. The Cashback Voucher is a flat USD 5 per qualifying week — not a percentage of the deposit amount, and not increased regardless of how much is deposited above the USD 100 minimum.

iii. A client may receive a maximum of 10 Cashback Vouchers for the entire Promotion Period.

iv. Only deposits made into the client's STARcopy account will count toward the USD 100 minimum deposit threshold; deposits into other trading accounts will not qualify. The Cashback Voucher will be credited to the same STARcopy account.

v. Only successfully processed cash deposits qualify; internal transfers, rebates, commissions, existing Credit, promotional rewards and other non-cash adjustments do not count.

vi. No client Opt-in is required.

Example

Week 1 (16–22 November 2026): The client deposits USD 100 into their STARcopy account, meeting the USD 100 minimum threshold. The client receives a flat Cashback Voucher of USD 5, credited to the same STARcopy account. The Cashback Voucher is only credited if at least 1 standard lot of qualifying trading is completed within the same week.

6 Trading Requirement

To unlock a Cashback Voucher for a given Weekly Qualifying Window, the client must complete at least 1 standard lot of copytrade in qualifying closed trades within that same window, in the following instruments: FX, Gold, Silver, Oil and BTC. Each qualifying position must remain open for at least ten minutes; positions held for less time will not count toward the requirement.

7 Cashback Conditions

The Cashback Voucher is expected to be credited to the relevant eligible trading account(s) within approximately three working days after the end of the applicable Weekly Qualifying Window, once both the deposit and trading requirement have been validated. It is credited as real cash and is withdrawable, subject to STARTRADER's standard withdrawal, Compliance and Risk requirements.
