4. Terms and Conditions

1. These Terms and Conditions are legally binding. By participating in this Promotion, you agree to be bound by these Terms and Conditions.

2. To participate in this Promotion, clients must successfully opt in via the Client Portal. Only eligible trading activity executed after successful opt-in will count towards the Promotion.

3. Eligibility and Net Deposit Maintenance: Clients must make and maintain a minimum net deposit of USD 100 throughout the Promotion Period to fully participate in this Promotion. For the purposes of this Promotion, "Net Deposit" means the total deposits made by the Client less withdrawals made by the Client during the Promotion Period. While Clients are permitted to withdraw funds at their discretion at any time, if a withdrawal causes the Client's net deposit to fall below the USD 100 threshold, the following conditions shall apply until the USD 100 minimum net deposit is restored:
- Cashback: The Client's eligibility to earn rewards under the Cashback Rebate Scheme will be immediately suspended.
- Draw Entries: The Client will be ineligible to earn or accumulate any new ticket entries for the weekly or Grand Prize lucky draws.
- Previously Earned Grand Prize Tickets: Any valid lucky draw tickets already accumulated for the final week's Grand Prize draw prior to the net deposit dropping below USD 100 shall remain active and eligible for the final draw.
- Restoration of Eligibility: Full promotional earning capabilities, including

cashback eligibility and the ability to accrue new lucky draw tickets, will only resume once the Client's net deposit is restored to USD 100 or more.

Cashback Rebate Scheme (Benefit 1)
i. Eligibility and Calculation: The Participant shall be eligible to receive cashback based on their cumulative eligible CFD notional trading volume executed and closed during the Promotion Period.
ii. Applicable Rebate Rates: The applicable rebate rates are determined based on the day the eligible trading volume is executed and closed, defined as follows:
Weekday Cashback: USD 1.00 for every completed USD 500,000 (Five Hundred Thousand) in eligible notional trading volume executed and closed during weekdays (Monday to Friday).
Weekend Cashback: USD 1.00 for every completed USD 100,000 (One Hundred Thousand) in eligible notional trading volume executed and closed during weekends (Saturday and Sunday).
The cashback rebate shall be calculated and credited based on the total aggregated notional volume traded by the Participant within each respective category. Any remaining eligible notional volume below USD 500,000 in the weekday category, or below USD 100,000 in the weekend category, will not qualify for cashback.

5. Weekly Lucky Draw and Grand Prize (Benefit 2)
i. Draw Eligibility: In addition to the Cashback Rebate Scheme, Participants are eligible to enter a randomized weekly lucky draw to win gold prizes, contingent upon their weekend trading activity. Furthermore, a special Grand Prize draw will be conducted at the end of the Promotion. There will be eleven (11) scheduled draws during the Promotion Period. Draws 1–10 will be weekly prize draws, while Draw 11 will be the Grand Prize draw only.
ii. Entry Calculation: For every completed USD 1,000,000 (One Million) increment in eligible notional trading volume executed and closed during recognized weekend trading hours (defined strictly as 00:00 server time Saturday through 23:59 server time Sunday), the Participant shall receive one (1) valid ticket entry into that respective week's lucky draw. Only completed USD 1,000,000 increments will generate a ticket; any remaining incomplete volume is disregarded and shall not be carried forward. Tickets are strictly tied to the weekend notional trading volume of that specific week and do not carry over into subsequent weekly draws; however, as an explicit exception, all valid tickets accumulated by a Participant across the entire Promotion Period shall be pooled and entered into the Grand Prize draw.
iii. Grand Prize Draw: At the culmination of the Promotion, the final scheduled draw will be designated as the Grand Prize draw. All valid ticket entries earned by eligible Participants throughout the entire Promotion Period will be pooled for this draw. One (1) winner will be randomly selected to receive the Grand Prize, which consists of one (1) troy ounce of physical gold.
iv. Winner Announcement Schedule: The official results and winning Participants

for each applicable draw shall be announced every Wednesday following the conclusion of the previous trading week. The final results, including the announcement of the Grand Prize winner, shall be published on Wednesday, November 4, 2026.

v. Prize Specifications: For the weekly prize draws (Draws 1–10), the winner of each draw will receive ten (10) grams of physical gold. For the Grand Prize draw (Draw 11), the winner will receive one (1) troy ounce of physical gold.

i Total Promotion Pool Cap:

The total cumulative cashback pool allocated for this Promotion is strictly capped at USD 999,999. Once the aggregate cashback pool has been exhausted, no further cashback rebates will be credited. For the avoidance of doubt, exhaustion of the cashback pool will not terminate Benefit 2 or affect a Participant's ability to earn or retain valid ticket entries for the Weekly Lucky Draw or Grand Prize, subject to the applicable eligibility and qualifying conditions.

ii First-Come, First-Served Basis:

All rewards are subject to availability and shall be processed and distributed strictly on a first-come, first-served basis. Priority will be determined by the chronological time and date that the eligible CFD trading lots are successfully closed.

iii Individual Participant Maximum:
The maximum allowable cashback rebate awarded to any single Participant, as identified by their Unique Identifier (UID), is strictly capped at USD 1,000 for the entire duration of the Promotion. Any eligible trading volume generated by a Participant after reaching this maximum individual cashback cap will not qualify for further cashback rebates but may continue to qualify for ticket entries under Benefit 2, subject to the applicable eligibility and qualifying conditions.

7. The only CFD product eligible for this Promotion is Gold 24/7 (XAUUSD247), where 1 lot traded on MetaTrader equates to 1 standard lot, and 1 standard lot of XAUUSD247 equates to 1 troy ounce (XAU) of gold.

Eligible Notional Volume is calculated as follows: Notional Value (USD) = Number of Lots × Contract Size (1 troy ounce) × XAUUSD247 execution price (USD per troy ounce). Products not explicitly mentioned are excluded.

Minimum Holding Duration: A trade will only count towards Eligible Notional Volume for the Cashback Rebate Scheme (Benefit 1) or the Weekly Lucky Draw and Grand Prize (Benefit 2) if it is held open for a minimum of ten (10) minutes.

8. Accounts registered under the same client profile will have their eligible trading activity aggregated for the purpose of this promotion.

9. Internal transfers, balance adjustments, and any other non-deposit credits will not be considered new deposits and will not count towards eligibility for this Promotion.

To claim a physical prize, winners are required to send a redemption request to Promotion@startrader.com within seven (7) days of the prize announcement. Failure to contact the promotions team within this designated timeframe will result in the automatic forfeiture of the prize.

Gold prizes will be processed and delivered to the eligible client within one (1) month following the successful completion of the redemption process, subject to applicable laws, regulations, customs requirements and delivery restrictions in the winner's jurisdiction.
