Promotion Overview

- 1.1** The Cashback Promotion (“Promotion”) is offered by STARTRADER (“Company”) to eligible retail clients who reside in an Eligible Country or Region and who successfully opt in to the Promotion (“Participants”).
- 1.2** A Participant who satisfies the Qualifying Net Deposit requirement in Clause 4 and reaches an Eligible Closed Lots tier during the Promotion Period may receive the corresponding fixed cashback reward (“Cashback”) under Clause 6, subject to a maximum of USD 650 per UID.
- 1.3** Cashback is a fixed promotional reward linked to trading volume. It is not a refund of spreads, commissions, swaps, or trading losses, and it is not a return on investment. Cashback is credited as cash to the Participant’s eligible trading account and is subject to the verification, withdrawal, deduction, and reversal provisions of these Terms and Conditions.

Promotion Period

- 2.1** The Promotion will commence at 00:00:00 on 13 October 2026 and end at 23:59:59 on 31 December 2026, based on STARTRADER’s server time, unless the Promotion is suspended, terminated or otherwise ends earlier in accordance with Clause 2.3 (“Promotion Period”).
- 2.2** Participants must opt in through the designated promotion page during the Promotion Period.
- 2.3** STARTRADER may extend, shorten, suspend or terminate the Promotion in accordance with Clause 11.1 and applicable laws and regulations. Where the Promotion Period is shortened, suspended or terminated early, the Qualifying Net Deposit and Eligible Closed Lots will be calculated up to the effective date and time of such shortening, suspension or termination, as applicable.

3 Eligibility

3.1 The Promotion is available only to clients who:

- (a) are individual retail clients residing in an Eligible Country or Region;
- (b) have successfully completed STARTRADER's applicable account registration and verification requirements;
- (c) opt in through the designated promotion page during the Promotion Period;
- (d) hold at least one Eligible Account;
- (e) satisfy the Qualifying Net Deposit requirement in Clause 4; and
- (f) satisfy all other applicable eligibility requirements under these Terms and Conditions

3.2 A Participant may opt in and participate using one (1) UID only. Where STARTRADER determines that a person has participated through more than one UID, STARTRADER may disqualify all related UIDs.

3.3 The following persons are not eligible to participate:

- (a) STARTRADER employees, representatives, and contractors, and their immediate family members; and
- (b) PAMM/MAM managers, money managers, or any person who manages or trades on behalf of other STARTRADER clients.

3.4 "Eligible Account" means a live STP, MT4, MT5, Copy Trade or MTS trading account maintained on the applicable STARTRADER trading platform and held under the Participant's UID.

3.5 Accounts designated as Demo, Cent, Cryptocurrency, PAMM, and MAM are explicitly excluded from this Promotion unless expressly stated otherwise in these Terms. STARTRADER reserves the right to amend the list of eligible or ineligible account types at any time, at its sole discretion.

3.6 Eligibility to participate in the Promotion does not by itself create an entitlement to any Cashback. Cashback will only be credited where all applicable requirements under these Terms and Conditions have been satisfied and verification under Clause 7 has been completed.

4 Qualifying Net Deposit

4.1 A Participant must achieve a Qualifying Net Deposit of not less than USD 250 during the Promotion Period and maintain a Qualifying Net Deposit of not less than USD 250 until the end of the Promotion Period.

- 4.2** “Qualifying Net Deposit” means the total External Deposits received into the Participant’s Eligible Account(s) after successful opt-in and during the Promotion Period, less any External Withdrawals and internal transfers out of those Eligible Account(s) during the same period, as calculated by STARTRADER based on its official records.
- 4.3** “External Deposit” means funds deposited into an Eligible Account through a deposit method accepted by STARTRADER that are received and successfully credited to the account.
- 4.4** The following will not count towards the Qualifying Net Deposit:
- (a)** internal transfers of any kind (including between accounts under the same UID);
 - (b)** balance or cash adjustments;
 - (c)** balances held before opt-in;
 - (d)** promotional credits, bonuses, or rewards of any kind (including Cashback);
 - (e)** Introducer/Affiliate rebates or commissions; or
 - (f)** trading profits.
- 4.5** Any deposit that is reversed, cancelled, charged back, refunded, or otherwise removed will be excluded from the Qualifying Net Deposit and may result in Cashback being withheld, cancelled, or reversed under Clause 8.
- 4.6** For the avoidance of doubt, trading losses do not reduce the Qualifying Net Deposit
- 4.7** All monetary thresholds, Cashback amounts, and caps in these Terms and Conditions are expressed in USD. Where an account is denominated in another currency, the applicable amounts will be determined by reference to their USD equivalent based on the exchange rate applied in STARTRADER’s system at the relevant time.

 5

Eligible Closed Lots

- 5.1** “Eligible Closed Lots” means the total trading volume in Eligible Products, expressed in standard lots and combined across all Eligible Accounts under the Participant’s UID, from positions that:
- (a)** were opened after successful opt-in;
 - (b)** were held for at least ten (10) consecutive minutes between opening and closing; and
 - (c)** were fully closed within the Promotion Period.
- 5.2** Volume is counted on a round-turn basis: one (1) Eligible Closed Lot equals one standard lot opened and subsequently closed. Where a position is partially closed, only the closed volume that meets Clause 5.1 will be counted.

5.3 “Eligible Products” means CFD FX pairs, CFD Gold, CFD Silver, CFD Oil, and CFD Metals only. Cryptocurrency, index, share, and all other products are excluded, and trading volume on them will not count.

5.4 The following will not count towards Eligible Closed Lots:

(i) open positions; cancelled or reversed trades;

(ii) hedged or locked positions (including opposite positions in the same or a correlated instrument under the same UID);

(iii) offsetting trades between related accounts; and

(iv) any trades excluded under Clause 9.

Cashback Tiers

6.1 A Participant who reaches an Eligible Closed Lots tier during the Promotion Period will receive the corresponding fixed Cashback set out below:

Eligible Closed Lots	Cashback (USD)
10	15
25	50
35	70
50	120
100	230
200	500
300	650

6.2 Cashback is awarded only for the highest tier achieved and is not cumulative across tiers.

6.3 Example (for illustration only): a Participant who completes 60 Eligible Closed Lots reaches the 50– lot tier and receives USD 120. The 100–lot tier applies only where the Participant has completed 100 or more Eligible Closed Lots.

6.4 Partial completion of a tier does not qualify for that tier. For example, a Participant with 9 Eligible Closed Lots does not qualify for any Cashback.

6.5 The maximum Cashback per UID is USD 650 for the entire Promotion, including any extension of the Promotion Period.

 7

Verification and Crediting

- 7.1 The final Qualifying Net Deposit and Eligible Closed Lots will be calculated at the end of the Promotion Period.
- 7.2 Before crediting, STARTRADER will verify the Participant's Eligible Closed Lots, Qualifying Net Deposit, UID and account ownership, and compliance with these Terms and Conditions.
- 7.3 Cashback will be credited once per UID to the Participant's primary Eligible Account (the account used to opt in), within 10 business days after the end of the Promotion Period, after STARTRADER has completed its verification. The Participant must hold an Eligible Account in good standing at the time of crediting.
- 7.4 The calculation and crediting of Cashback will be determined in accordance with STARTRADER's system records.

 8

Withdrawal, Deduction and Reversal

- 8.1 Once credited, Cashback forms part of the account balance and may be withdrawn in accordance with the Client Agreement and STARTRADER's applicable withdrawal procedures, subject to Clauses 8.2 and 9.
- 8.2 STARTRADER may withhold, cancel, deduct, or reverse any Cashback, in whole or in part, whether before or after crediting, where:
 - (a) any deposit counted towards the Qualifying Net Deposit is reversed, cancelled, charged back, or refunded;
 - (b) the Participant breaches these Terms and Conditions or the Client Agreement, or engages in any activity described in Clause 9; or
 - (c) the Cashback was credited in error or as a result of a technical fault.
- 8.3 Cashback is personal to the Participant and is not transferable. It will not be treated as a deposit for the purposes of this or any other promotion and will not itself qualify for any other bonus or reward.
- 8.4 Participants are responsible for maintaining sufficient margin in their trading accounts. Withdrawals, internal transfers, or the deduction or reversal of Cashback may reduce available margin and may result in the liquidation of open positions.

 9

Abusive and Prohibited Activity

- 9.1 During the Promotion, STARTRADER reserves the right to disqualify participants, revoke eligibility, deduct or reverse improperly obtained promotional benefits and attributable profits, or terminate its business relationship with any client, who in STARTRADER's sole discretion, is suspected or determined to:

- (a) be in material breach of these Terms and Conditions;
- (b) engaged in improper or abusive behaviour; or
- (c) have provided false, inaccurate, or misleading information.

9.2 Improper or abusive behaviour in clause 9.1(b) includes, but is not limited to:

- (i) operating multiple accounts from the same IP address with the intent to exploit promotions;
- (ii) engaging in arbitrage trading using multiple accounts, whether within STARTRADER or across different brokers;
- (iii) using strategies such as scalping, high-frequency trading, latency arbitrage, or malicious hedging in a way that disrupts platform integrity;
- (iv) placing abnormally large or disproportionate trades during key trading periods without a sound trading rationale;
- (v) replicating similar trades across accounts to artificially increase exposure or volume;
- (vi) concentrating trading activity on a narrow range of products in a way that creates abnormal risk conditions;
- (vii) wash trading, self-dealing, collusion, or market manipulation;
- (viii) repeatedly opening and closing positions at or near the same price, or otherwise trading primarily to generate Eligible Closed Lots without a genuine trading rationale;
- (ix) any other behaviour deemed to be a violation of the STARTRADER Client Agreement, including behaviour reasonably defined as default events or suspicious trading activity.

9.3 Multiple accounts, or accounts sharing the same IP address, device, or funding source, may be treated as a single Participant, and the maximum in Clause 6.5 will apply once across them.

9.4 To protect platform integrity and client confidentiality, STARTRADER may not disclose detailed methodologies or internal risk detection systems used in these assessments. STARTRADER's verification and calculations will be final and binding to the extent permitted by applicable laws and regulations, without prejudice to the Participant's right to raise a complaint through STARTRADER customer support or its complaints procedure.

9.5 Clients are expected to engage respectfully in all communications. While STARTRADER respects the right to share opinions and experiences, it reserves the right to respond to defamatory or knowingly false public statements that may cause reputational harm, including by pursuing appropriate legal remedies under applicable law where necessary.

 10

Promotion Restrictions

- 10.1** This Promotion cannot be used in conjunction with any other cashback promotion unless otherwise determined by STARTRADER. It may be used alongside other categories of promotions where permitted by STARTRADER.
- 10.2** Where a Participant is already participating in another cashback promotion, the Participant must complete or otherwise conclude that promotion before participating in this Promotion. If the Participant voluntarily terminates that promotion before completion in order to participate in this Promotion, any bonus, credit, reward, or other entitlement associated with the terminated promotion may be forfeited in accordance with its applicable terms.

 11

General Conditions

- 11.1** STARTRADER reserves the right to amend, extend, suspend, or terminate the Promotion at any time, without prior notice and at its sole discretion, including where required by law, regulation, internal policy, suspected abuse, or operational reasons, in accordance with applicable laws and regulations.
- 11.2** Any applicable taxes on Cashback are the sole responsibility of the Participant.
- 11.3** STARTRADER may collect and process personal data for eligibility verification and compliance purposes in accordance with its Privacy Policy and applicable data protection laws.
- 11.4** These Terms and Conditions should be read together with the STARTRADER Client Agreement and Risk Disclosure Statement. In the event of any inconsistency in relation to this Promotion, these Terms and Conditions will prevail.
- 11.5** Translations of these Terms and Conditions are provided for convenience only. In the event of any inconsistency or discrepancy, the English version shall take precedence.
- 11.6** By participating in this Promotion, each participant represents and warrants that their participation is lawful and does not violate any applicable law or regulation. The Company reserves the right to refuse, restrict or cancel participation by any person where participation may be unlawful or where required by applicable laws or regulations.

 12

Risk Warning

- 12.1** This Promotion is intended solely for marketing purposes and should not be construed as investment advice, financial guidance, or a recommendation to participate in any specific trading strategy or activity. STARTRADER does not offer personalised investment advice, portfolio management, or discretionary trading services as part of this Promotion.
- 12.2** All trading decisions made by Participants are entirely their own responsibility. Trading leveraged derivative products, such as Forex and CFDs, carries a high level of risk and may result in losses that exceed the initial capital invested. Participants should carefully consider their financial situation, trading experience, and risk tolerance before engaging in any trading activity.

- 12.3** Participation in the Promotion does not reduce or eliminate the risks associated with trading leveraged financial products. Cashback is a fixed promotional reward and does not offset, limit, or protect against trading losses, which may exceed any Cashback received. Cashback is not a guarantee of profit or income. The deposit and trading tiers in Clauses 4 and 6 are conditions of the Promotion only and should not be interpreted as a recommendation to deposit, trade, or increase exposure or trading activity. Participants should not trade beyond their risk tolerance in order to reach a Cashback tier, and are encouraged to seek independent financial or professional advice before participating.
- 12.4** This Promotion is open only to eligible clients who meet all conditions outlined in these Terms and Conditions. Participation is entirely voluntary, and by choosing to participate, Participants acknowledge that they have reviewed, understood, and agreed to these Terms and Conditions. This Promotion is not available to residents of jurisdictions where such promotions are prohibited, restricted, or require regulatory authorisation, including but not limited to countries or territories with financial marketing restrictions. It is the sole responsibility of each Participant to ensure that their participation complies with any applicable local laws or regulatory obligations.

The Promotion is open to eligible funded retail STARTRADER clients residing in the Eligible Countries/Regions, holding an eligible account type, who opt through the designated promotion page during the Promotion Period (13 October 2026 to 31 December 2026). Each Participant may use only one (1) UID.

2 Which accounts are eligible?

STP, MT4, MT5, Copy Trade and MTS accounts. Demo, Cent, Cryptocurrency, PAMM and MAM accounts are expressly excluded, unless STARTRADER states otherwise.

3 How do I opt in?

Yes. You need a minimum Qualifying Net Deposit of USD 250 during the Promotion Period and must maintain it until the Promotion closes on 31 December 2026. Qualifying Net Deposit means eligible external deposits less external withdrawals made during the Promotion Period. Internal transfers, existing balances, promotional credits, rewards and trading profits do not count.

Only deposits made after you successfully opt in count towards your Qualifying Net Deposit.

5 How does the cashback work?

Complete the required number of Eligible Closed Lots during the Promotion Period and receive a fixed cash reward. The more lots you trade, the higher the cashback tier you unlock, from USD 15 at 10 lots up to USD 650 at 300 lots.

Yes. Cashback credited to your trading account is withdrawable, subject to the Client Agreement and STARTRADER's verification and anti-abuse rights set out in the Terms and Conditions.

11 Is there a maximum cashback per client?

Yes. Cashback is awarded by tier, so the maximum cashback per UID is USD 650.

12 Can I combine this Promotion with other STARTRADER offers?

No, this Promotion cannot be used in conjunction with any other cashback promotion.

13 Can my cashback be removed?
