During the Promotion, eligible clients who opt in and trade Eligible CFD Products may earn Lucky Draw tickets for a chance to win one of one hundred (100) USD 20 Credit Bonus Coupon.

Clients who also satisfy the Top Prize eligibility requirements will qualify for ranking to receive one of four (4) Top Prizes.

Participation in the Promotion is subject to these Terms and Conditions (“T&Cs”).

2 Promotion Period

The Promotion Period shall commence at 00:00 on 23 November 2026 and end at 23:59 on 4 December 2026, based on server time.

3 Applicable Region

This Promotion is available only to residents of the Eligible Countries/Regions. Participation is subject to applicable laws and regulations in the Participant's country or region of residence.

4 Applicable Products

Eligible CFD products under this Promotion are limited to Forex, Gold, Silver, Oil and BTC.

Any products not expressly listed above are expressly excluded from this Promotion.

5 Eligibility

5.1 Both existing and new STARTRADER clients may participate, subject to meeting all applicable eligibility and account verification requirements.

5.2 To participate, clients must opt in through the Client Portal or STARTRADER app during the Promotion Period. Only trading volume executed after a successful opt-in will count towards any requirement under these T&Cs.

5.3 Only one (1) Trading Account per User ID is eligible to participate in the Promotion.

5.4 The Company reserves the right, subject to applicable laws and regulations, to determine a client's eligibility for the Promotion in accordance with these T&Cs.

5.5 Accounts designated as Cent, STAR Copy, PAMM, and MAM accounts are expressly excluded from participation in this Promotion.

5.6 Each Participant is responsible for determining whether they are eligible to take part in the Promotion, including whether the Promotion is lawful where they live and whether they meet every requirement in clause 5. A Participant who is not eligible must not opt in and may be excluded at the Company's sole discretion.

6 Lucky Draw Entry and Prize

6.1 To qualify for the Lucky Draw, a participant must satisfy both of the following requirements during the Promotion Period and after successfully opting-in under Clause 5.2:

(a) Deposit Requirement: Make a single Net deposit of at least USD 500 (or its equivalent) into their live STARTRADER Trading Account.

(b) Trading Requirement: Complete a minimum of USD 400,000 in Notional Trading Volume in Eligible CFD Products.

6.2 Clients may earn Lucky Draw tickets in the following ways:

(a) Deposit ticket: A client who makes a single Net Deposit of at least USD 500 during the Promotion Period will earn one (1) Lucky Draw ticket. Each client may earn a maximum of one (1) deposit ticket, regardless of the amount or number of deposits made.

(b) Trading tickets: For every USD 400,000 in Notional Trading Volume on eligible products, the client will earn one (1) Lucky Draw ticket. There is no cap on the number of trading tickets a client may earn.

6.3 Tickets are issued in whole numbers only. Notional Trading Volume below each USD 400,000 increment will not earn a partial ticket.

For example, a client with a Net Deposit of USD 500 and USD 1,300,000 in Notional Trading Volume earns four (4) tickets: one (1) deposit ticket and three (3) trading tickets.

6.4 One hundred (100) winners will be selected by random lucky draw after the Promotion Period ends. Each winner will receive a USD 20 Credit Bonus Coupon.

6.5 Each ticket represents one entry into the lucky draw. More tickets increase a client's chances of winning but do not guarantee a prize.

6.6 Each participant may receive a maximum of one (1) Lucky Draw Prize, regardless of the number of tickets earned.

7 Top Prize

7.1 To qualify for the Top Prize ranking, a participant must satisfy both of the following requirements during the Promotion Period and after successfully opting-in under Clause 5.2:

(a) A cumulative Net Deposit of at least USD 1,000; and

(b) Complete a minimum of USD 2,000,000 in Notional Trading Volume in Eligible CFD Products.

7.2 Qualified Participants will be ranked according to their total qualifying Notional Trading Volume during the Promotion Period. The four (4) Qualified Participants with the highest qualifying Notional Trading Volume will each receive one (1) Top Prize based on their final ranking, as follows:

Rank	Prize	Approximate Retail Value
1	MacBook Air	USD 1,999
2	Leica D-Lux 8	USD 1,595
3	Nintendo Switch 2	USD 499.99
4	Ray-Ban Meta Gen 2	USD 379

7.3 Where two or more Qualified Participants achieve the same qualifying Notional Trading Volume, the participant who first reached that volume, as determined by the Company's server records, will receive the higher ranking.

7.4 Each client may win a maximum of one (1) Top Prize.

7.5 Participants who qualify for the Top Prize ranking will remain eligible for the Lucky Draw based on the tickets they have earned, provided that they satisfy the applicable Lucky Draw requirements.

7.6 Prize values stated are approximate retail values for reference only and may vary by region.

7.7 All listed prizes are subject to availability at the time of procurement. The Company does not guarantee the availability of any particular colour or configuration and reserves the right to provide an available colour or configuration. The Company is not obligated to fulfil a winner's colour preference.

7.8 To the extent permitted by applicable law, the Company shall not be liable for technical, hardware, software or network issues that result in lost, incomplete, delayed or otherwise affected entries or trading activity.

7.9 STARTRADER shall not be responsible or liable for any delays in delivering the prizes to the Participant, to the extent permitted by applicable law.

8 Winner Announcement and Prize Distribution

8.1 Lucky Draw results and the final Top Prize ranking will be announced on 11 December 2026 via STARTRADER's official channels. Winners will also be notified by email.

8.6 Winners must maintain an active trading account in Good Standing at the time of prize distribution.

8.7 If a winner's Trading Account is inactive or closed at the time of prize distribution, the Company reserves the right to withhold or reallocate the prize, subject to applicable laws and these T&Cs.
