

Partners Switch Bonus Promotion

Terms and Conditions

1. Promotion Overview

1.1 The STARTRADER Partners Switch Bonus Promotion ("Promotion") is offered by STARTRADER ("Company") to selected new eligible partners ("Partner"), including Introducing Brokers ("IBs") and CPA Affiliates, who join STARTRADER from another broker or comparable financial services provider.

1.2 Partners may receive a monthly cash bonus by meeting the applicable performance requirements during their first six (6) monthly performance periods under the Promotion.

1.3 Unless otherwise specified, all dates and times under this Promotion are based on Coordinated Universal Time (UTC).

2. Eligibility, Opt-In and Confirmation

2.1 To participate in the Promotion, a Partner must:

- a. be approved as a new STARTRADER Partner;
- b. have previously maintained, or currently maintain, an IB, CPA Affiliate, or comparable partnership relationship with another broker;
- c. meet STARTRADER's applicable Partner onboarding and eligibility requirements; and
- d. opt in to the Promotion within one (1) calendar month from the date on which the Partner is approved by STARTRADER as an IB or CPA Affiliate ("Partner Approval Date").

2.2 STARTRADER may request reasonable information regarding the Partner's previous or current broker affiliation to verify eligibility.

2.3 A Partner who does not complete the required opt-in within one (1) calendar month from the Partner Approval Date will not be eligible to participate in the Promotion.

2.4 Submission of an opt-in request does not by itself confirm participation in the Promotion. Participation will only be confirmed once STARTRADER issues a confirmation email to the Partner confirming that the Partner is eligible to participate in the Promotion.

2.5 The date on which the Partner completes the opt-in process will be the "Opt-In Date". The date on which STARTRADER subsequently issues its confirmation email will not change the Opt-In Date.

3. Promotion Start Date and Performance Period

3.1 Each monthly performance period under the Promotion will run from the first (1st) calendar day to the last calendar day of the applicable month.

3.2 Subject to STARTRADER confirming the Partner's eligibility to participate in the Promotion in accordance with Clause 2.4, the Partner's first eligible monthly performance period will be determined based on the Opt-In Date as follows:

- a. Opt-In Date on or before the 15th calendar day of a month: If the Opt-In Date falls on or before the 15th calendar day of a month, that calendar month will constitute the Partner's first monthly performance period.
- b. Opt-In Date after the 15th calendar day of a month: If the Opt-In Date falls after the 15th calendar day of a month, the following calendar month will constitute the Partner's first monthly performance period.

3.3 Each Partner may participate for six (6) consecutive monthly performance periods commencing from the first eligible monthly performance period determined under Clause 3.2.

3.4 Where STARTRADER subsequently confirms the Partner's eligibility to participate in the Promotion, qualifying activity generated on or after the Opt-In Date will count towards the Promotion, including qualifying activity generated between the Opt-In Date and the date on which STARTRADER issues its confirmation email, provided that such activity falls within an applicable monthly performance period.

3.5 For the Partner's first monthly performance period, qualifying activity generated before the Opt-In Date will not count towards the Promotion.

Example 1 - Opt-In Date on or before the 15th

Partner Approval Date: 5 September 2026

Opt-In Date: 15 September 2026

Month 1: 1-30 September 2026

Month 2: 1-31 October 2026

Month 3: 1-30 November 2026

Month 4: 1-31 December 2026

Month 5: 1-31 January 2027

Month 6: 1-28 February 2027

Month 1: Only qualifying activity generated on or after 15 September 2026 will count towards the Promotion.

Example 2 - Opt-In Date after the 15th

Partner Approval Date: 5 September 2026

Opt-In Date: 16 September 2026

Month 1: 1-31 October 2026

Month 2: 1-30 November 2026

Month 3: 1-31 December 2026

Month 4: 1-31 January 2027

Month 5: 1-28 February 2027

Month 6: 1-31 March 2027

4. Monthly Switch Bonus

4.1 During each monthly performance period, the Partner must meet at least two (2) out of the following three (3) requirements under the same tier to qualify for the applicable Monthly Switch Bonus.

Requirement	Tier 1	Tier 2
Monthly Switch Bonus	USD 12,000	USD 6,000
New Qualified Clients	40	20
Total Net Deposit	USD 150,000	USD 75,000
Total Notional Volume	USD 100 million	USD 50 million

4.2 Meeting any two (2) requirements under the same tier is sufficient. The Partner does not need to meet all three requirements.

4.3 If the Partner qualifies for both Tier 1 and Tier 2 during the same monthly performance period, only the higher Bonus will be awarded.

4.4 The maximum Bonus is USD 12,000 per monthly performance period and USD 72,000 in total during the six (6)-month Promotion period.

Example

New Qualified Clients: 42

Total Net Deposit: USD 120,000

Total Notional Volume: USD 105 million

The Partner meets two Tier 1 requirements - New Qualified Clients and Total Notional Volume - and therefore qualifies for the USD 12,000 Tier 1 Bonus.

5. New Qualified Client

5.1 A New Qualified Client means a new directly referred client by the Partner who, within the same monthly performance period:

- a. successfully registers, verifies and has their STARTRADER trading account approved;
- b. completes a minimum Net Deposit of USD 500; and
- c. completes at least two (2) standard lots of qualifying closed trades.

5.2 Eligible trading instruments for the two (2)-lot requirement are:

- a. CFD FX pairs;
- b. CFD Oil;
- c. CFD Gold;
- d. CFD Silver; and
- e. BTCUSD.

5.3 Each qualifying position must be held for at least ten (10) minutes before closure. Positions closed within ten (10) minutes will not count towards the trading requirement.

5.4 Only completely closed positions will count towards the trading requirement.

Example

Account status: Approved

Net Deposit: USD 600

Qualifying closed trades: 2 standard lots, each held for at least 10 minutes

The client will count as one New Qualified Client.

6. Total Net Deposit

6.1 "Total Net Deposit" means the total eligible deposits made by the Partner's directly referred clients during the applicable monthly performance period, less their total eligible withdrawals during the same period.

6.2 For the purposes of computing Total Net Deposit, the computation may include eligible activity from both New Qualified Clients and existing clients who were directly referred in previous months.

6.3 Internal transfers, rebates, commissions, bonuses, credits, balance adjustments, or other non-genuine funding activities will not be treated as qualifying deposits for the purpose of calculating Total Net Deposit.

6.4 If the Total Net Deposit for a monthly performance period is negative, the negative amount will be carried forward and deducted from the Total Net Deposit generated in the following monthly performance period(s) until the negative amount has been fully offset.

6.5 A Partner will only be considered to have met the applicable Total Net Deposit requirement based on the Net Deposit remaining after any carried-forward negative amount has been deducted.

Example - Negative Net Deposit Carry-Forward

Month 1 deposits: USD 100,000

Month 1 withdrawals: USD 150,000

Month 1 Total Net Deposit: -USD 50,000

Month 2 deposits: USD 120,000

Month 2 withdrawals: USD 20,000

Month 2 Net Deposit before adjustment: USD 100,000

Less carried-forward negative Net Deposit: USD 50,000

Net Deposit counted towards Month 2: USD 50,000

The negative USD 50,000 from Month 1 is carried forward and deducted from Month 2.

7. Total Notional Volume

7.1 "Total Notional Volume" means the eligible closed trading volume generated by the Partner's directly referred clients during the applicable monthly performance period, calculated in accordance with the eligible trading instruments, minimum holding period and closed-position requirements set out in Clauses 5.2 to 5.4.

7.2 Only completed trading activity will be counted. Open positions will not be included.

7.3 For the purpose of computing Total Notional Volume, the computation may include eligible trading activity from both New Qualified Clients and existing clients who were directly referred in previous months.

8. New Qualified Client Verification

8.1 Only New Qualified Clients directly referred under the participating Partner's account will count towards the Promotion requirements.

8.2 Activity generated through sub-IBs, sub-affiliates, or other downstream Partner structures will not count unless otherwise approved by STARTRADER.

9. Bonus Assessment and Payment

9.1 STARTRADER will assess the Partner's performance after each monthly performance period.

9.2 The applicable Monthly Switch Bonus will be determined based on the highest qualifying tier achieved during that period.

9.3 Subject to verification, the Bonus will be credited to the Partner's designated rebate or commission account within ten (10) working days after the applicable monthly performance period.

9.4 Each monthly performance period is assessed separately. New Qualified Clients and Total Notional Volume cannot be carried forward or combined between performance periods. Negative Total Net Deposit may be carried forward in accordance with Clause 6.4.

9.5 Failure to qualify for a Bonus in one month does not affect the Partner's ability to qualify in the remaining monthly performance periods.

10. Promotion Limits

10.1 Each Partner may participate in the Promotion only once.

10.2 Each Partner may participate for a maximum of six (6) consecutive monthly performance periods.

10.3 The maximum total Bonus available to each Partner under the Promotion is USD 72,000.

10.4 Exclusivity. During the Partner's participation in this Promotion, the Partner may not simultaneously participate in any other STARTRADER Partner promotion, sponsorship, incentive or reward programme, including the IB Sponsorship Programme and the IB Special Reward Programme. Any client activity, deposits or trading volume counted towards this Promotion must not be counted towards any such other programme.

11. General Conditions

11.1 Participation in the Promotion does not guarantee that a Partner will receive a Bonus. The applicable performance requirements must be fully met and verified by STARTRADER.

11.2 STARTRADER reserves the right to exclude any client, deposit, trading volume, or other activity that is considered fraudulent, abusive, manipulated, non-genuine, or undertaken primarily for the purpose of artificially meeting the Promotion requirements.

11.3 In the event of abuse, fraud, manipulation, or a breach of these Terms and Conditions, STARTRADER may disqualify the Partner, cancel any unpaid Bonus, or reverse any Bonus paid in connection with the affected activity.

11.4 STARTRADER reserves the right to modify, suspend, or terminate the Promotion where reasonably necessary.

11.5 STARTRADER's records will be used to determine Partner eligibility, qualifying client activity, Net Deposit, Total Notional Volume, and the final Bonus payable.

11.6 Participation in this Promotion does not replace or modify the Partner's underlying partnership agreement with STARTRADER unless otherwise expressly stated.

12. Risk Warning

This Promotion is a commercial Partner incentive and does not constitute any form of investment advice, financial guidance, or a recommendation to increase trading activity.

Partners acknowledge that trading leveraged derivative products, including Forex and CFDs, carries a high level of risk and may result in losses. All referred clients remain responsible for their own trading decisions and should consider their financial circumstances, trading experience, and risk tolerance before trading.

Partners are responsible for ensuring all New Qualified Clients are informed of these risks and meet suitability requirements in their jurisdiction before engaging in trading activity.

Partners must not represent this Promotion or any Bonus as a guarantee of profit, trading performance, performance outcome, or return on investment. Partners must not make unsolicited claims about bonus amounts, trading outcomes, or likelihood of profitability.

The Promotion is available only to eligible Partners and in jurisdictions where such promotional activity is permitted under applicable laws and regulatory requirements.
